	Please watch over us as the seeds in your palm and cover us through our humbling for in our humbling
	you are made strong. Praise to YHWH who potect the humbled, the living seed of man,and call us friend.
	We confess our falling away and wasting of your gifts. We confess our works of pride. Our wasteful
	works caused the land to dry up and for your feeding to stop and the draught of your rain upon us
	stopped. We worked as harlots for mammon and our thirst for you is great. We pray you will heal
	our sickness and abide with us again. We pray you will cleanse us, restore us, make us whole
