	1:1 In the beginning YHWH created the heaven and the earth. 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the RAWACHA move upon the face of the waters. 1:3 And YHWH said, let there be light: and there was light. 1:4 And YHWH saw the light, that the light was good: and YHWH divided the light from the darkness. 1:5 And YHWH called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

Here we see there are two sets of groups. Those that will accept the living seed of life of the only way.
Those that will seek their own way (my truthers that there has to be more than one way to heaven.)
Also we see how one group will fight to protect and uphold the YARAH. And another group will

1:16 And YHWH made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the smaller lights also. 1:17 And YHWH set them in the firmament of the heaven to give light upon the earth, 1:18 And to rule over the day and over the night, and to divide the light from the darkness: and YHWH saw that function was in place. 1:19 And the evening and the morning were the fourth day.
